Program Notes:

+HOSP101 and HOSP105 are identified as milestone courses that must be completed in a student's first year of study. This is required in order to meet the prerequisites for additional core Hospitality Management classes.

*It is the student's responsibility to be knowledgeable of NCC graduation requirements and, if applicable, to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.
