

# UBUNTU COMMUNITY

Ubuntu is an ancient African philosophy meaning, "I am because you are" signifying the importance of the connection between people and how each person's humanity is tied to others.

## LOCATION

The Ubuntu Community is located in the 1100's wing of the Residence Hall Commons featuring male/female rooms and bathrooms, along with a gender-neutral bathroom.

## WHO ARE WE?

The Ubuntu Community is a group of students living and learning together that focus on the importance of personal connections through exploring diversity, equity, inclusion, and global citizenship.

## JOIN OUR COMMUNITY!

Looking for a way to enrich your residential experience and build meaningful connections with other residents? Want to expand your horizons and learn more about the world around you?

JOIN US!

*The community is open to both New and Returning residents. Select the "Ubuntu Community" under the Communities section of your housing application.*

## GLOBAL CITIZEN ROOMMATE PROGRAM

The Global Citizen Roommate Program offers a unique experience for resident students to expand their horizons and cultivate a broader, worldwide perspective.

The Global Citizen Roommate Program pairs an International student studying at NCC with a student from the U.S. who is interested in becoming a more, well-rounded global citizen.
